Palazzo Dama

garancedore @mrchrisnorton wanted to see Rome. So we went to Rome. He wanted to do "the tourist shit" so we went to the colosseum and even got ourselves a guide (sometimes it's totally worth it) and I wanted to do the "cool hotel shit" (cause I love hotels) and we found this little gem at walking distance from everything, the @palazzodama . This, trust me, is a good one. @smithhotels #garanceinitaly #gditalyfavorites
